Statement:

My work is informed by nature, a kind of mythical nature. The power of storms, the spiritual quality of the elements, the beauty, grace and ferocity of mother natures creature -- something greater than myself, something I can't comprehend. Painting, drawing and digital mediums, is essence my search for the mystery within the subject, within myself.

Exhibitions:

- The Marie Walsh Sharpe Art Foundation Scholarship to study with Jack Beal and Sondra Freckleton in Colorado Springs, CO
